'When patterns are broken, new worlds emerge'

## MISSION

Our mission is to offer world-class education accessible to all, inspiring individuals to become ethical citizens through a harmonious blend of academic learning and extracurricular pursuits. We aim to exceed mere success, striving to embody excellence in education that aligns with global standards.

## VISION

In our quest for excellence, Arya Vidyapith envisions reaching new heights and evolving into the premier educational institution within a dynamic, multifaceted global landscape. Our goal is to nurture responsible, empathetic individuals who actively contribute to societal progress, prosperity, and peace, embodying values of care and compassion.

'Education is the key to unlock the world, passport to freedom'

*"Education  
is simply the soul  
of the society  
as  
it passes from  
one generation  
to another"*

*G. K. Chesterson*

OUR  
INSPIRATION....

## Founder Chairman's Vision

An inherent desire has a way of becoming a dream and translating that dream into reality gives one an innate sense of happiness and achievement.

Years ago, whenever I visited my sons in school, I had a growing desire to start an educational initiative and it soon became a vision or a dream. At the dawn of the new millennium, came the opportune moment to realize this dream aided by the urge to give back to the society. Thus, was born the KSET Group Educational Initiatives.

Now it's a proud moment for me and my team, when we see, thousands of students every year leaving the portals of our educational institutions looking ahead confidently to a bright future.

While establishing each of these institutions, the objective was to provide opportunity to students from Champaran Districts a high standard platform to learn and inherit domain skills which are completely career linked. Education does not commence with the learning of the alphabet and numbers. It begins with a mother's gaze, with a father's nod of appreciation or a sign of re-proof, with a sister's gentle pressure

of the hand or a brother's noble act, with meadows, with birds' nests admired but not touched, with creeping ants and almost imperceptible elements, with humming bees and bee-hives, with pleasant walks in shady lanes and with a thought directed in sweet and kindly toned words to nurture the beauty, benevolence, virtues and faith in Supreme Power.

Education shapes the destiny of an individual. Education is important because it broadens our knowledge, and this knowledge then opens our minds to new perspectives, ideas, and beliefs. Moreover, the future of a nation is determined by the quality of its education in present. I wholeheartedly dedicate my life to this noble deed.

Our vision is simple - Igniting Minds, Empowering Lives through World Class Education at Arya Vidyapith. The journey is a continuous process. Even my septuagenarian physique fills up with invigorating energy for the days ahead. In these years, I learnt a lot from life, and now I am confident that Arya Vidyapith is ready to become an initiative of national significance.

This dream will not have any boundaries...

**Dr. S.P. Singh**

## Our Mentor

### From The Director's Pen

*"Education is the passport to the future, for tomorrow belongs to those who prepare for it today."*  
— *Malcolm X*

**Dear Esteemed Parents and Guardians,**

It gives me immense pleasure to extend my heartfelt welcome to Arya Vidyapith, a distinguished 10+2 institution nestled in the heart of Motihari, East Champaran. I, an alumnus of IIM-Calcutta and with a professional background of 18 years at top multinational as an Assistant Vice President, am humbled to lead this extraordinary educational venture that stands as a beacon of educational excellence and innovation in our region.

Our commitment at Arya Vidyapith transcends the ordinary. Over the recent years, under my guidance, we've embarked on a transformative journey, moving away from conventional teaching methodologies towards a progressive and futuristic approach. Our vision is to not just educate but to sculpt future leaders, primed to navigate the complexities of tomorrow's world. We've transitioned from traditional rote learning to immersive STEM education, aligning our curriculum with the dynamic career prospects that await our students upon graduation.

What sets Arya Vidyapith apart is our relentless pursuit of innovation. We're the only school in North Bihar to introduce Artificial Intelligence as a CBSE subject, Coding Classes and Entrepreneurship fostering a forward-thinking educational environment. Additionally, our inclusion of Robotics as a mandatory subject further

positions us at the forefront of educational innovation in the region. We take immense pride in offering Japanese as a third language, a unique facet that sets us apart and reflects our commitment to providing a diverse and enriching educational experience.

Education at Arya Vidyapith extends beyond textbooks. We celebrate the holistic development of our students, nurturing champions in sports such as fencing, Kho-Kho, and Football, while also excelling in cultural pursuits like dance and drama, consistently securing top honours at National, State and district-level competitions.

Our journey towards educational excellence has been marked by numerous accolades and recognitions. From the International School Award for our seamless transition to online teaching during the pandemic to international recognition for "Excellence in Technology Integration in Education," these awards are a testament to our unwavering dedication to quality education.

When you choose Arya Vidyapith, you're not just selecting an educational institution; you're embracing a transformative experience for your child. Join us as we sculpt futures, redefine education, and empower our students to reach their utmost potential.

Enrol your child today and become a part of the Arya Vidyapith family, where every child's potential is nurtured and celebrated.

Warm Regards...

**'It is better to be a man of value than a man of success.'**

### From the Principal's Desk....

These words of John Dewey, the great American philosopher, psychologist and educational reformer are of great relevance in the present day where the system of education in the country is undergoing phenomenal changes with the implementation of the National Education Policy -2020. The central principle of this new initiative is to promote critical thinking and creativity among the students which are essential for taking the nation forward for a better tomorrow. A strong foundation in academics empowers the learner to develop and transfer learning skills to all areas for holistic development. The talent and the energy which our students possess are nurtured, shaped and channelled in the right direction in a well-planned way at Arya Vidyapith. Schooling here bestows the students with the rich traditions of the past, the diversity of the present and the challenges of the future. As I believe that Education is a passport to the future, for tomorrow belongs to those who prepare for it today, I am committed to provide a platform or rather a bridge through which the aspirants can

walk through this to their destinations...

We, at Arya Vidyapith, take every challenge

as an opportunity

and have successfully carried out the task of imparting holistic education by making effective use of technology. A blend of latest technologies, pioneering research and creative thought stitched into a value based social fabric mould our students to be the winners in a futuristic challenging world.

Fortunately, we have a committed and supportive management, dedicated teachers, caring and co-operative parents, which blend harmoniously to create a child centric school at Arya Vidyapith. I would like to express my deep gratitude to all of them.

With warm wishes and God's blessings...

**Regards,**  
**Paramita Sarkar**  
**Principal**

**'Keep your face always towards the sunshine and shadow will fall behind you.'**

*'Those who follow the crowd usually get lost in it.'*
